SOME COMMENTS:

- *"It was good to have some small simple things to work on"*
- *"Very informative"*
- *"Encouraging and down to earth"*
- *"I thoroughly enjoyed the presentation. I will definitely implement the 10 dance steps"*
- *"Good presentation and excellent information"*
- *"Very informative and inspiring"*
- *"Very encouraging and simple message. Did not use jargon that most people try to use to sound smart"*
- *"I now realize that it is my mindset that I have to change"*
- *"Very inspiring, engaging and easy to implement"*
- *"Very interesting – changes my whole outlook on maintaining a healthy lifestyle"*
- *"Fantastic! I love the compounding stats"*
- *"A very informative and entertaining presentation"*
- *"Very good presentation"*
- *"Very informative – I will definitely implement some changes in my life"*
- *"Very entertaining, lots of information – some against long held beliefs! I need to go away and think – good idea asking people to do just 'one thing'"*
- *"Simple stuff that adds up – great!"*
- *"Fantastic! Well presented, easy to understand and engaging"*
- *"Very entertaining and informative"*
